### **Did you know...**

*...that MacMedics performs the same Apple Warranty service as the Apple Store? We're the area's best kept secret with no wait times or appointments necessary. Just walk right in! Find out more at <http://www.NOappointments.com>.*

*...that ALL hard drives can (and will) eventually fail? We see hard drives fail in Macs every day, old and brand new. Avoid costly Data Recovery by having a reliable backup. Find out more at <http://www.HardDrivesDie.com>.*

*...that hard drives have an average life span of about 2-3 years? We recommend retiring your hard drive proactively before it fails at the worst possible time.*
